## Nat Con 2018 B2B/RES National conference

### Meeting with Allstars at the National Conference

by Lexi Stickel

The weekend of June 8th our team got the opportunity to attend the B2B national conference in Houston, TX. During the conference we learned so much. There were many breakouts that taught us the skills we need to reach our goals. We also got the opportunity to see some of the best in the B2B community be rewarded for their great work. The conference made our team much closer and we got the amazing chance to bond and become a better family.

Our wonderful leadership team was able to attend the Nation Conference in Houston during the weekend of June 8th. At the conference our Executive Director, Michael Lefeld, won the President's Club Award for the expansion of the company. The award was Tiffany & Co cufflinks.
